STATE OF CALIFORNIA,  
 (real party of interest,)

Plaintiff

v.

HM Cynthia Mildred: Miles, Sovereign

"Defendant" in **ERROR**

(Convention of 18 March 1970 on the Taking of Evidence Abroad in Civil or Commercial Matters; Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents; Convention of 15 November 1965 on the Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters; Resolution 9 of the Security Council of the United Nations, 15 October 1946 regarding Admission of States Not Parties to the Statute of The International Court of Justice; Vienna Convention on Consular Relations done at Vienna on 24 April 1963; Vienna Convention on Diplomatic Relations done at Vienna on 18 April 1961; International Covenant on Civil and Political Rights, 16 December 1966 and entry into force 23 March 1976, in accordance with Article 49; The Charter of the United Nations, signed on 26 June 1945 and in force on 24 October 1945; Paragraph 91 of Part II of the Vienna Declaration and Programme of Action, the World Conference on Human Rights, June 1993; and Universality Principle.)

1 remedy is even nominally public, and prosecuted in the name of the commonwealth, any one  
2 may institute the proceedings, although not privately injured. (1 Salk. 174; 1 Atk. 221; 8 M. &  
3 S. 71.)

4 10. **Stat pro ratione voluntas populi. THE WILL OF THE PEOPLE STANDS IN PLACE OF**  
5 **A REASON.** (People v. Draper, 25 Barb. {N. Y.} 344, 376.)

6 10.1. ALL PEOPLE ARE CREATED EQUAL.

7 10.2. GOVERNMENTS WORK FOR THE PEOPLE.

8 10.3. OUR WORLD AND THE SITUATION IT IS IN HAS BEEN CAUSED BY OUR  
9 CO-AGREEMENTS AND OUR COLLECTIVE CO-CREATION.

10 10.4. TO CO-AGREE/CO-CREATE THAT IT IS ACCEPTABLE TO CREATE MONEY  
11 OUT OF THIN AIR FOR SOME THINGS BUT NOT ALL THINGS WHEN THERE  
12 ARE COUNTRIES WHERE 50 % OF THEIR ENTIRE CHILDREN DIE BY THE AGE  
13 OF 5 IS **KNOWINGLY** PARTICIPATING AND **CO-CONSPIRING** IN GENOCIDE.

14 11. When a man **stands by** and **permits** another to do an act in his name, **→ his ←** authority will  
15 be presumed. (Vide Authority, and 2 Kent, Com. 3d edit. 614; Story, Ag. 89, 90, 91; and  
16 Bouvier's articles Assent; Consent.)

17 12. The principal has a right to supersede his agent. **A principal has rights which he can enforce.**

18 The rights against their agents, are, 1. To call them to an account at all times, in relation to the  
19 business of their agency. 2. When the agent violates his obligations to his principal, either by  
20 exceeding his authority, or by positive misconduct, or by mere negligence or omissions in the  
21 discharge of the functions of his agency, or in any other manner, and any loss or damage falls on  
22 his principal, the latter will be entitled to full indemnity. (Paley on Ag. by Lloyd, 7, 71, 74, and  
23 note 2 12 Pick. 328; 1 B. & Adolph. 415; 1 Liverm. Ag. 398. 3.)

24 13. **The principal may be liable for his agent's misconduct, when he has agreed, either**  
25 **expressly or by implication, to be so liable.** (8 T. R. 531; 2 Cas. N. P. C. 42. Vide Bouv. Inst.  
26 Index, h. t.; Agency; Agent.)

27 14. It is well-established, commonly known, and understood that a payment is the act of two parties,  
28 the party tendering the debt and the party receiving it; and that **the money or thing due MUST**  
29 **be ACCEPTED** (7 Pick 88; 4 Pick. 83; 8 Pick. 122).

- 1 15. When a third person recovers damages against the agent, the latter will be entitled to  
2 reimbursement from the principal (Pal. Ag. by Lloyd, 152, 301; 2 John. Cas. 54; 17 John. 142;  
3 14 Pick. 174).
- 4 16. The liabilities of the principal to third persons, are, to fulfill all the engagements made by the  
5 agent, for or in the name of the principal, and which come within the scope of his authority  
6 (Story, Ag. 126).
- 7 17. In physics, by principle is understood that which constitutes the essence of a body, or its  
8 constituent parts (8 T. R. 107. See 2 H. Bl. 478).
- 9 18. First principles have their source in the sentiment of our own existence, and that which is in the  
10 nature of things. A principle of law is a rule or axiom which is founded in the nature of the  
11 subject, and it exists before it is expressed in the form of a rule (Domat, Lois Civiles, liv. prel. t.  
12 1, s. 2 Toull. tit. prel. n. 17).
- 13 19. ACT OF MAN. Every man of sound mind and discretion is bound by his own acts, and the law  
14 does not permit him to do anything against it; and all acts are construed most strongly against  
15 him who does them (Plowd. 140).
- 16 20. A man is not only bound by his own acts, but by those of others who act or are presumed to act  
17 by his authority, and is responsible civilly in all such cases; and, in some cases, even when there  
18 is but a presumption of authority, he may be made responsible criminally.
- 19 21. HM Cynthia Mildred: Miles<sup>1</sup>, ("Defendant" in **ERROR** and herein referred to as "Accredited  
20 Sovereign") is a woman who was born in Arizona and who is equal to any and all other people  
21 on the entire planet.
- 22 22. As a contract of "**Suretyship**" may be entered into by all people who are sui juris and capable  
23 of entering into other contracts (a "sui juris" is one who has all the rights to which a freeman is  
24 entitled – as one who is not under the power of another, as a slave, a minor, and the like),  
25 therefore:

3 / Money of Account) Millies up to \$500 million USD equivalent per each unit cleared.

4 32.1. The Millie is on par with the United States Dollar.

5 33. A grant to every government worldwide to pay all government debt has been in effect since  
6 September 11, 2011.

7 34. This grant was published internationally.

8 35. This grant has been acknowledged by the United States Government.

9 35.1. See Congress.Org at:

12 35.2. Confirmation of Accredited Sovereign’s commitment/consent to pay all  
13 government’s debt was communicated through secure “BankNet.Gov” channels with the  
14 United State’s Government.

15 36. It is internationally well-established that Accredited Sovereign is accredited, authorized,  
16 recognized, and has the lawful ability to issue “Funds” to grant as payment for all reparations  
17 for the STATE OF CALIFORNIA, the California State, the UNITED STATES, and the united  
18 States of America, in order to uphold a Surety of the Peace on behalf of their people; and that  
19 this accredited and recognized ability is sufficiently established to pay ALL reparation payments  
20 for any and all money/funds owed for ANY kind of damages, including but NOT limited to:

21 36.1. ALL Damages for any and all nonperformance by any and all government and/or  
22 public official;

23 36.2. ALL Damages for any and all injury caused by any and all government and/or public  
24 official;

25 36.3. ALL Insurance Claims related to any and all government and/or public official’s  
26 bonds;

27 36.4. ALL War Reparations;

28 36.5. ALL Slavery Reparations;

29 36.6. And any and ALL Crimes Against Humanity.

- 1 37. Accredited Sovereign voluntarily consents to conditionally grant limited special jurisdiction to  
2 the International Court of Justice (or other qualified and agreed upon Court) to hear a “Surety of  
3 the Peace”.
- 4 38. Accredited Sovereign voluntarily consents to conditionally – on record – consent to grant  
5 “express consent” to be **financially** liable for the United State’s and/or their Agent’s misconduct  
6 – in addition to any and all other government’s agents’ misconduct; which as one of the  
7 “people” on the planet and equal to all others, she qualifies to do, by proxy, in representation of  
8 the **INCONTESTABLE** “unalienable-sovereignty” of all peoples.
- 9 39. Thereby Accredited Sovereign voluntarily consents to conditionally agree to be the financial  
10 liable party for ALL obligations which she therewith **must** perform as the **RECORDED**  
11 “Principal” in Case 2011045129 – in addition but not limited to – as the “*Principal By Proxy*”  
12 for any and all other Cases where the United States and/or any of its individual “States” owes  
13 ANY reparations; and also as the “Principal By Proxy” for any and all other Cases  
14 INTERNATIONALLY where any other government owes **any** reparations.
- 15 40. As it is well-established internationally that the general rule is a principal cannot be charged  
16 with injuries committed by his agent without his assent; Accredited Sovereign voluntarily  
17 consents to conditionally **EXPRESSLY** agree that in relation to ANY government’s Agents’  
18 acts, ALL financial reparations in relation to any and all injurious incidents shall conditionally  
19 pass to Accredited Sovereign.
- 20 41. Accredited Sovereign will conditionally agree that her performance shall include:
- 21 41.1. all financial liabilities arising from any related parties in Case 2011045129 and;
- 22 41.2. all financial liabilities arising from any related parties in all other Cases where the  
23 United States – **and/or any other Government** – and any of their individual “States” owes  
24 ANY reparations caused by violations of their obligation/s to any of their principals past or  
25 present and also violations of their obligations to any people of any country; either by  
26 exceeding their authority, or by positive misconduct, or by mere negligence or omissions in  
27 the discharge of the functions of his or her agency, or in any other manner.
- 28 42. Thereby: **ANY** financial liability for the above stated loss/es or damage/s shall fall upon  
29 Accredited Sovereign; whom, shall conditionally consent and agree – on record and UNDER  
30 OATH – to stand as each Agent’s financially liable “Principal” responsible for **any and all**

1 financial reparation/s.

2 43. It is well-established internationally that the contract of Suretyship becomes extinct or  
3 discharged by the acts of the principal and of the creditor **without any act of the surety.** This  
4 may be done, **1. By payment, by the principal.** 2. By release of the principal. **3. By tender**  
5 **made by principal** to the creditor. 4. By compromise. 5. By accord and satisfaction. 6. By  
6 novation. 7. By delegation. 8. By set-off. 9. By alteration of the contract.

7 44. Accredited Sovereign, her Accredited Sovereign foreign nation state, the CYNTHIA MILDRED  
8 MILES, ESTATE, Miles Province and “cynthia mildred miles” **SHALL** receive full indemnity,  
9 as they are properly entitled, once performance and reparation payments have been made.

10 45. Payment **shall be received** as decreed and mandated by law. Meaning:

11 45.1. When the Principal makes “Payment”, the Sureties are immediately discharged,  
12 because the obligation no longer exists. But as payment is the act of two parties, the  
13 party tendering the debt and the party receiving it, the money or thing due **must be**  
14 **accepted.** (7 Pick 88; 4 Pick. 83; 8 Pick. 122. See Payment in Bouvier’s.)

15 45.2. **A lawful tender made by the principal** or his authorized agent, to the creditor or  
16 his authorized agent, **will discharge** the surety. (See. 2 Black. 87; 1 Rawle, 408; 2 Fair.  
17 475; 13 Pet. 136.)

18 45.3. The preventive, or removing, or abating remedies, are those which may be by acts of  
19 the party aggrieved, or by the intervention of legal proceedings; as, in the case of  
20 injuries to the person, or to personal or real property, defence, resistance, recaption,  
21 abatement of nuisance, and **surety of the peace**, or injunction in equity and perhaps  
22 some others.

23 46. It is well-established and understood internationally that in order to obtain a surety to keep the  
24 peace, the party requiring it must swear or affirm he fears a present or future danger, and not  
25 merely swear or affirm to a breach of the peace which is past; it is usual, however, to state such  
26 injuries, and when the circumstances warrant it, a threat of their repetition, as a legitimate  
27 ground for fearing future injury, which fear must always be stated. (1 Chit. Pr. 677.)

28 46.1. See: Commonwealth v. Kennedy, 1973 Pa. Dist. & Cnty. Dec. LEXIS 73 (Pa. C.P.  
29 1973) where the Court observed that “The elements of the statutory offense of surety of the  
30 peace are: (1) the making of a threat, (2) to some person or his property and, (3) with the

- 1 result that the threatened person is put in fear or danger of being injured.”
- 2 47. Accredited Sovereign swears and affirms that she fears a present and future danger and has  
3 stated such injuries, on record, in Case 2011045129.
- 4 48. Accredited Sovereign swears and affirms, on record, to the threat of a repetition not only to  
5 herself but to the public of the commonwealths of California State and the United States of  
6 America; who may in the future, end up being injured or threatened or risk death in similar ways  
7 by the individuals involved and so named in Case 2011045129.
- 8 49. Accredited Sovereign also swears and affirms, on record, to the threat of a repetition not only to  
9 herself but to the public of the commonwealths in the entire world; as impunity and government  
10 complicity are well-established and commonly known to occur in all other similar governments  
11 across the world.
- 12 50. Accredited Sovereign voluntarily consents to swear and affirm all necessary statements in  
13 relation to the identification of **ALL government and public officials, including but not**  
14 **limited to those – INTERNATIONALLY – that were noticed and thereby KNEW about**  
15 **injurious and wrongful actions in Case 2011045129, who having had the authority and**  
16 **ability to stop said injurious and wrongful actions, chose to do nothing.**
- 17 51. It is obvious that as a result of said governments’ and public officials’ silence, there is risk of  
18 future crimes against the “people” which may threaten to kill and injure. And by the acts of  
19 those named, such acts give reason to believe that those named, or those in similar positions to  
20 those named, will continue to commit a breach of the peace. This thereby requires a Court to  
21 demand the parties so named in said matters and/or their offices to uphold the security of a  
22 “Surety of the Peace” in order to assure the public good and safety of the people.
- 23 52. It is well-established and understood internationally that **all parties do not need to agree** in  
24 order for a judge to require them to uphold a Surety of the Peace whereby Accredited Sovereign  
25 would pay for all governments’ reparations **to benefit the people.**
- 26 53. A recognizance to keep the peace by the action/s of Accredited Sovereign paying all  
27 governments’ reparations shall be forfeited by the parties only by an actual attack or threat of  
28 bodily harm, damage to personal property, theft of personal property, or infringement of any  
29 unalienable liberty/ies and/or right/s, but not by bare words.
- 30 54. California is the name of one of the states of the United States and was admitted into the Union.

1 by an Act of Congress, passed the 9th September, 1850, entitled "An act for the admission of the  
2 state of California into the Union."

3 55. **The constitution, of California, prohibits the creation of a state debt exceeding \$300,000.** It  
4 provides also that every stockholder of a corporation or joint-stock association shall be  
5 individually and personally liable for his proportion of all its debts or liabilities.

6 55.1. **There is also a clause prohibiting slavery, which, it is said, was inserted by the**  
7 **unanimous vote of the delegates.**

8 56. In 2000, the California State Legislature passed SB 2199, authored by former Senator Tom  
9 Hayden (D-Los Angeles). The statute is entitled "**Slavery Era Insurance Policies**" and adds  
10 sections 13810 through 13813 to the California Insurance Code (CIC). California Insurance  
11 Code section 12926 provides that the insurance commissioner shall require from every insurer a  
12 full compliance with all provisions of this code.

13 56.1. Further, CIC section 704.5 provides, inter alia, that a carrier's certificate of authority  
14 may be suspended or revoked for violation of any insurance statute.

15 57. A "**Public Officials Bond**" is a bond under which the surety guarantees that the specified public  
16 official will faithfully perform his or her official duties, **including accounting for all funds**  
17 **entrusted to his or her care.**

18 58. The state of California has no ability to pay all the debt owed to the people, for their state and  
19 public entities, who have jeopardized their bonds. The state of California and the CALIFORNIA  
20 STATE are insolvent.

21 59. **Therefore it is obvious that California is required to obey** the offered "Surety of the Peace"  
22 and receive the reparations paid by Accredited Sovereign. This is because it cannot pay its own  
23 debt and to be foreclosed upon would cause great damage to its people; whom it MUST serve  
24 and administrate, in any and all ways, **for the benefit of the beneficiaries who are the people**  
25 and may NOT administrate solely for CALIFORNIA STATE's own benefit as the "Trustee" of  
26 the peoples' estates.

27 60. See: **California Probate Code 16002 (a)** The trustee has a duty to administer the trust solely in  
28 the interest of the beneficiaries.

29 61. See: Preamble to Senate Resolution 266, 90th Congress, 2d Session, March 22, 1968.

1 61.1. The Preamble to S. Res. 266, by which the Senate Code of Official Conduct was first  
2 adopted, provides that:

3 61.2. (a) The ideal concept of public office, expressed by the words, “a public office is a  
4 public trust,” signifies that the officer has been entrusted with public power by the people;  
5 that the officer holds this power in trust to be used only for their benefit and never for the  
6 benefit of himself or of a few; and that the officer must never conduct his own affairs so as  
7 to infringe on the public interest. All official conduct of Members of the Senate should be  
8 guided by this paramount concept of public office.

9 62. See also:

10 62.1. the “*CONVENTION CONCERNING THE INTERNATIONAL ADMINISTRATION*  
11 *OF THE ESTATES OF DECEASED PERSONS (Concluded 2 October 1973)*”;

13 *ESTATES OF DECEASED PERSONS (Concluded on August 1st, 1989)*”;

15 *RECOGNITION (Concluded 1 July 1985)*”;

16 62.4. and the “*CONVENTION ON THE LAW APPLICABLE TO CERTAIN RIGHTS IN*  
17 *RESPECT OF SECURITIES HELD WITH AN INTERMEDIARY (Concluded 5 July 2006)*”.

18 63. A majority of the world’s governments are insolvent.

19 64. There is no evidence on record ANYWHERE which would justify the United States of  
20 America (or any other government anywhere in the world) in not obeying a “Surety of the  
21 Peace” with reparations paid by Accredited Sovereign for same or similar reasons as stated  
22 previously herein.

23 65. The United States Committee on Ways and Means has jurisdiction over the authority of the  
24 Federal Government to borrow money. Title 31 of Chapter 31 of the U.S. Code authorizes the  
25 Secretary of the Treasury to conduct any necessary public borrowing subject to a maximum  
26 limit on the amount of borrowing outstanding at any one time. This statutory limit on the  
27 amount of public debt (the debt ceiling) currently is \$11.315 trillion. The Committee’s  
28 jurisdiction also includes conditions under which the U.S. Department of the Treasury manages  
29 the Federal debt, such as restrictions on the conditions under which certain debt instruments are  
30 sold.

- 1 66. An accredited sovereign ALREADY RECOGNIZED by the U.S. Department of the Treasury  
2 and with a currency ALREADY RECOGNIZED by the World Bank, paying reparations on  
3 behalf of the United States, would not contradict the United State Federal Government's  
4 authority to pay its debt. It is NOT a loan. There would be NOTHING to repay – EVER. There  
5 is NO WAY it would harm its people.
- 6 67. For any government in the world to turn down money ALREADY granted to them and instead  
7 keep borrowing money to have their people “*slave*” to pay it off would damage their own  
8 people.
- 9 68. **Si quis custos fraudem papilla fecerit, a tutela removendus est. If a guardian do fraud to**  
10 **his ward, he shall be removed from his guardianship.** [Jenk. Cent. 39]
- 11 69. HM Cynthia Mildred: Miles is Court **CERTIFIED** as being acknowledged by the United States  
12 Government as the posterity of THEIR OWN FOREFATHERS whose Declaration of  
13 Independence SHOULD BE a shining ray of hope (positive example) for ALL of humanity.
- 14 70. **Sic enim debere quem meliorem agrum suum facere ne vicini deteriolem faciat.** Everyone  
15 ought to improve his land so **as not to injure** his neighbor's. [3 Kent, Comm. 441. A rule of the  
16 Roman law.]
- 17 71. **Si plures sint fidejussores, quotquot erunt numero, singuli in solidum tenentur.** If there  
18 are more sureties than one, how many soever they shall be, **they shall EACH be held for the**  
19 **WHOLE.** [Inst. 3, 20 4.]
- 20 72. It is well-established and commonly known that in its general and most extensive sense,  
21 **OBLIGATION IS SYNONYMOUS WITH DUTY.**
- 22 73. In a more technical meaning, **it is a tie which binds us to pay or to do something agreeably to**  
23 **the laws and customs of the country** in which the obligation is made. (Just. Inst. 1. 3, t. 14.)
- 24 74. The term obligation also signifies the instrument or writing by which the contract is witnessed.
- 25 75. It is well known that obligations are divided into imperfect obligations, and perfect obligations.
- 26 76. Imperfect obligations are those which are not binding on us as between man and man, and for  
27 the non-performance of which we are accountable to God only; such as charity or gratitude. In  
28 this sense an obligation is a mere duty. (Poth. Ob. art. Prel. n. 1.)
- 29 77. However a **PERFECT OBLIGATION** is one which **gives a right to another** to **require us to**

1 **give him something** or not to do something. These obligations are either natural or moral, or  
2 they are civil.

3 78. A natural or moral obligation is one which cannot be enforced by action, but which is **binding**  
4 **on the party who makes it, IN CONSCIENCE AND ACCORDING TO NATURAL**  
5 **JUSTICE** (5 Binn. 573).

6 79. Although natural obligations cannot be enforced by action, they have the following effect:

7 79.1. **→ NO SUIT WILL LIE TO RECOVER BACK WHAT HAS BEEN PAID OR**  
8 **GIVEN IN COMPLIANCE WITH A NATURAL OBLIGATION** (1 T. R. 285; 1 Dall.  
9 184).

10 79.2. A natural obligation is a **SUFFICIENT** consideration **FOR A NEW CONTRACT**  
11 (5 Binn. 33; 2 Binn. 591; Yelv. 41, a, n. 1; Cowp. 290; 2 Bl. Com. 445; 3 B. & P. 249, n.; 2  
12 East, 506; 3 Taunt. 311; 5 Taunt. 36; Yelv. 41, b. note; 3 Pick. 207 Chit. Contr. 10).

13  
14 79.2.1. **→ NOTE: THE FEDERAL RESERVES' CONTRACT IS UP FOR RENEW**  
15 **THIS DECEMBER 2012.**

16  
17 80. International Law **requires** that no Accredited Sovereign Foreign Nation shall be denied its  
18 ability to have its own currency and ability to trade in the world.

19 81. Accredited Sovereign's legal tender and currency is called the "Millie".

20 82. The Millie was created (primarily) as "Money of Account" to be granted as gifts to governments  
21 to assist in paying off their debt.

22 82.1. Only one "Bank Bill" per each grant of issuance of "Money of Account" was  
23 mandated to be issued and printed. Thereby the Millie is primarily Book-Entry Only/Money  
24 of Account.

25 83. There is no lawful "EXCUSE" why Accredited Sovereign's Millies cannot be accepted and  
26 received to pay all reparations in relation to Case 2011045129 and for other previously stated  
27 financial reparations worldwide.

28 84. **The Millies have ALREADY been acknowledged by the World Bank.**

29 84.1.1. **See World Bank Case Number PIC 0426.**

- 1 85. The United States Office of the Comptroller of the Currency, the United States Treasury,  
2 BankNet.Gov and all relevant financial authorities, including but not limited to the International  
3 Bank of Settlements, were properly authorized and warranted to receive the Millies; and who  
4 after being served proper notice of such, never contested the validity of the Millies.
- 5 86. **The DTCC (“Depository Trust Clearing Corporation”) is able to clear the “BEO” (Book**  
6 **Entry Only / Money of Account) Millies up to \$500 million USD equivalent per each unit**  
7 **cleared.**
- 8 87. The Millie is on par with the United States Dollar.
- 9 88. The United States Office of the Comptroller of the Currency and the United States Treasury  
10 already gave Accredited Sovereign a banknet.gov account which is FEDERALLY  
11 REGULATED to be given only to BANKS.
- 12 89. Further, it is internationally well-known and well-established that the right to self-determinism  
13 and right to spiritual evolution are fundamental and **crucial** tenets of our human existence.
- 14 90. Humanity has ALREADY SURVIVED a huge paradigm shift when it was discovered that the  
15 world was NOT flat but was INDEED round.
- 16 91. Humanity has the well-established known potential to survive another huge paradigm shift.
- 17 92. To deny humanity this opportunity would be the most profound “*Crime Against Humanity*”  
18 history could ever know other than direct genocide.
- 19 93. Wherefore: NOTICE is given that HM Cynthia Mildred: Miles, (“Defendant” in **ERROR** and  
20 herein referred to as “Accredited Sovereign”) has served “NOTICE OF NOTIFICATION BY  
21 SERVICE OF PROCESS OF OFFER OF SURETY OF THE PEACE” in accordance with:
